

THE
SANTORINI

Inspired by the Greek islands. Created by artisans.

Emerging straight out of a Greek island vista, statuesque towers accentuate the horizon – serene sculptures transcending time and place. Simplicity and elegance is manifest in precise lines, pure glass, and pristine white accented by the blue of the sea. A statement of the contemporary, with distinct character that redefines the position.

The architecture is crafted by AGA Architects, an experienced and evolving architectural practice with a portfolio of works including J Gateway, Sea Horizon, Terrasse, and the award-winning The Peak @ Balmeg and Hillcrest Villa.

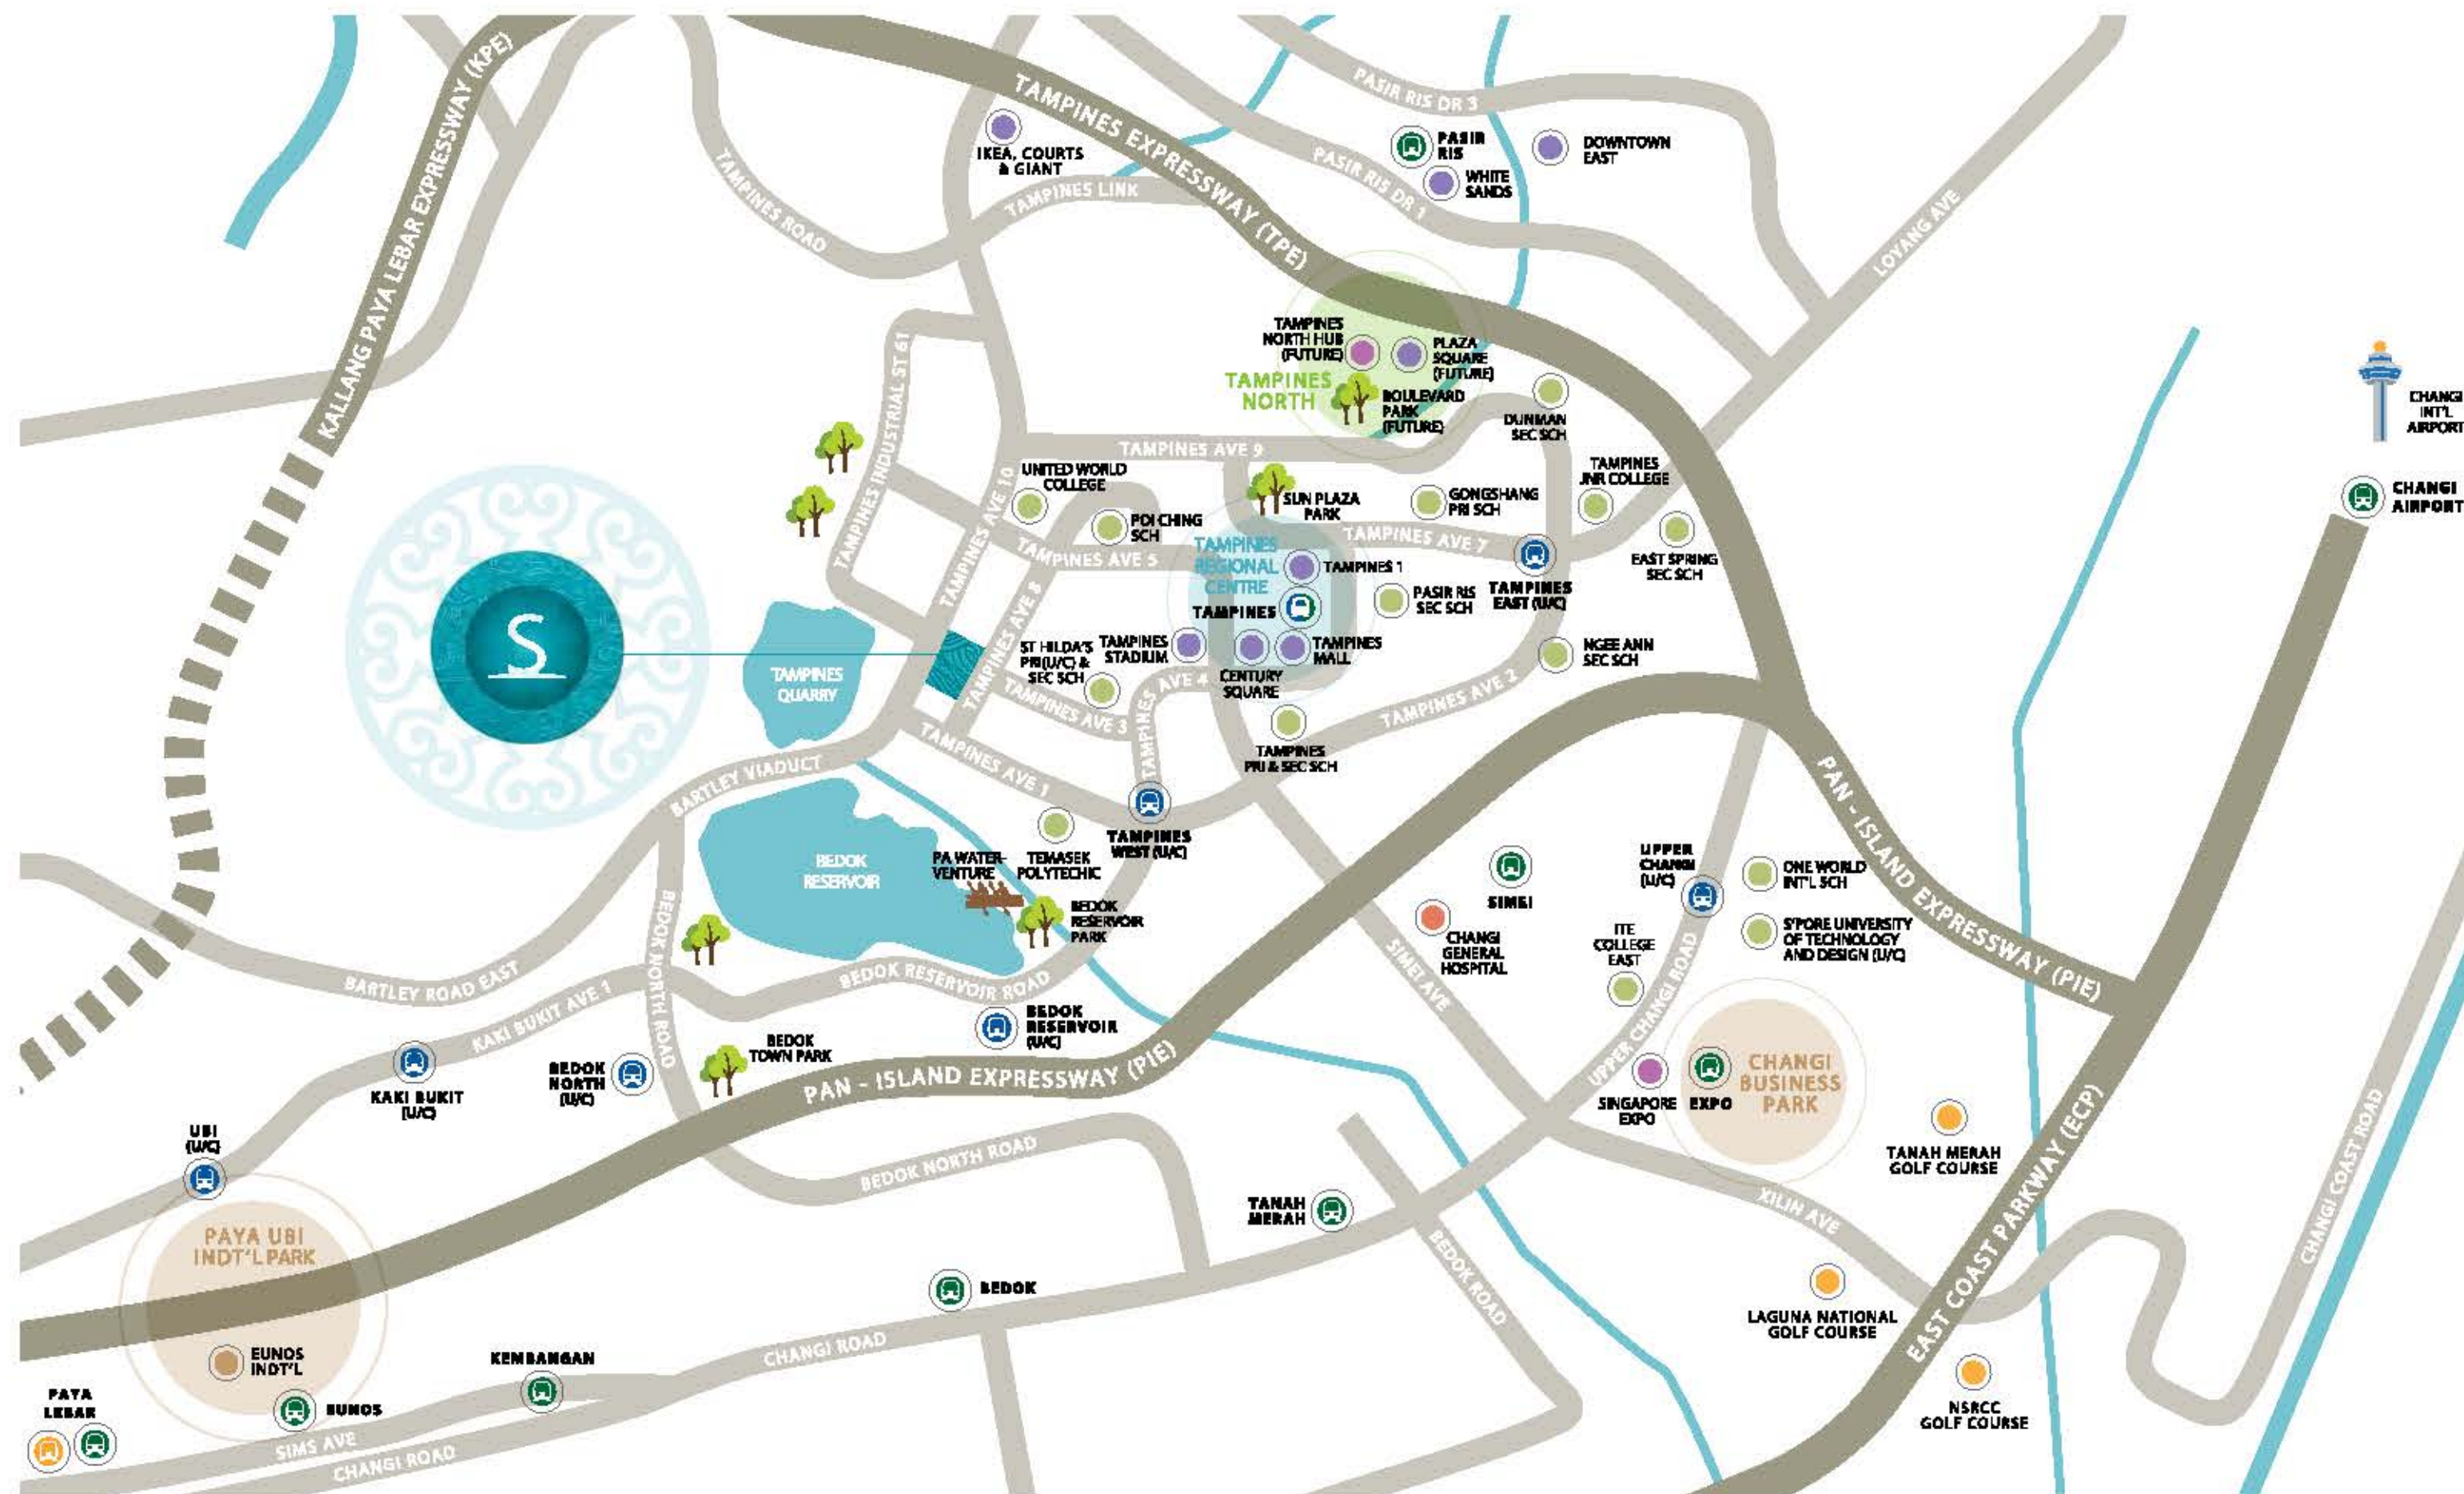

The Greek island landscape unfolds, unveiling a domain simultaneously expansive and confidently minimalist. Enchanting pocket gardens and lawns intersperse with soothing water features and resplendent pools. Explore a tapestry of themed enclaves eliciting discovery and delight – in communion with a canvas of lush yet contemporary green.

The landscape is crafted by ONG&ONG Landscape, a premier design practice with unparalleled reputation in landscape design, and projects in 18 countries spread over three continents.

Clear skies. Blue waters. Sun-kissed lands.
It's the Mediterranean lifestyle.
It's about enjoying life to the fullest.
And it's right here at The Santorini.

The centre of attraction,
connected to everything.

Ensnared within a central spot between two scenic water bodies, The Santorini connects you with the tranquil beauty of Bedok Reservoir and Tampines Quarry Park. Furthermore, it connects you to major arterial roads and expressways such as Tampines Expressway and the Pan Island Expressway. The new Bartley Viaduct provides direct access to Bartley Road, Braddell Road and Lornie Road, while the nearby Tampines MRT Station and bus interchange ushers you swiftly to all parts of the island.

Revel in a natural glow at Bedok Reservoir Park with outdoor activities like kayaking, wakeboarding, or simply stroll serenely. Let your eyes sparkle at Tampines Mall, Tampines One and Century Square with a scintillating spread of shopping and dining highlights. Your little jewels will positively shine at St Hilda's Primary School, United World College, Temasek Polytechnic or Singapore University of Technology and Design (U/TC).

Your neighbourhood shall blossom into the green hub of Tampines.

Tampines North (Future) is all set to blossom with new parks, and a seamless pedestrian and cycling network. A major green park, Quarry Park, features a thematic quarry pond inspired by the sand quarrying history of Tampines. Yet another major green park, Boulevard Park, will be lined with seasonal flowering trees, and flourishing with community spaces and convenient facilities like childcare centres.

Welcome to the world of the Greek islands.

Sail into The Santorini, and you'll find that your course is set for serenity. Discover a landscape more akin to a seascape, where Santorini Blue washes over an island of tranquillity. The Aegean Arrival welcomes you with fanfare, where a water wall cascades rhythmically onto characteristic Greek boulders. Make a splash in the lap pool, catch the rays on the lounge deck, or simply chill out at the clubhouse. You can also indulge in the wave gym and spa beds, or entertain alfresco at the dining and multipurpose pavilions floating over a reflective pool.

EXPAND YOUR WORLD.

Flexible and efficient spaces thoughtfully designed into the apartment layouts.

Top-of-the-line household appliances at your service.

Outstanding bedroom finishings featuring the highest quality materials.

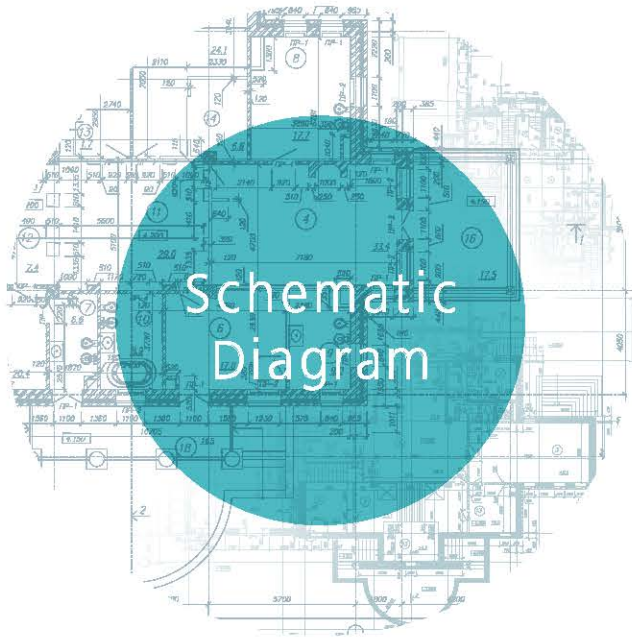

A selection of elegant bathroom fittings and finishings enhance the bathroom.
